## **Polaris Delivers Enhanced Security Feature Set along with Additional Innovative Payroll and HR Functionalities with the latest release of its Cloud Based Payroll and HR Platform**

**The Latest Release of the Cloud based Payroll and HR Platform brings Additional 2 Factor Authentication Security Feature Set, Business Intelligence and 3<sup>rd</sup> Party Integrations.**

(Apex, NC – December 9, 2016) – Polaris Payroll™, a provider of SaaS On-Demand Payroll Processing and Human Resource solutions to Payroll Service Bureaus (PSB) of all sizes, continues to leverage its Software as a Service (“SaaS”) On-Demand technology platform by announcing the latest releases of application enhancements to its Payroll Processing platform during the 4<sup>th</sup> quarter of 2016.

Enhancements in this release include:

- **Enhanced Security Feature Set Including 2 Factor Authentication:** Enhanced the Security functionalities and the management of Alerts and Notifications for all users. This includes a 1) 2 Factor Authentication Login Process that can be “SET” for specific levels of users and, 2) a significant enhancement to the Alerts and Notifications feature(s).
- **Tax Forms and eFile Compliance:** Added/Modified new tax forms and eFile reporting features.
- **Workers Compensation Integration with Precise Pay:** Added new 3<sup>rd</sup> party integration for Workers Compensation with Precise Pay which will allow additional alternatives for Polaris customers relative to offering workers compensation on a pay as you go basis.
- **Enhanced Business Intelligence Reporting:** Enhanced the Business Intelligence reporting across the platform with over 10 new reports within the categories of: Payroll Management, Cash Management, Tax Compliance, and more.

- **401k Integrations and File Format Expansions:** Added new 401k File formats and provider integrations.
- **Expansion of ACH Processors:** Added new ACH Processors and related NACHA file formats to provide alternatives to Banking partners and requirements.

**About Polaris Payroll™:**

Empay Systems, LLC (Polaris Payroll) is a software development company that has designed and developed Software as a Service (SaaS) enterprise level solutions that are deployed in a Cloud Environment. Polaris Payroll™ provides SaaS On-Demand Payroll Processing and Human Resource solutions that allow Payroll Service Bureaus (PSB) of all sizes to access new markets, increase market share, and add high-margin revenue while providing their customers with the most agile and innovative features that will drive customer retention to record levels. The company was founded in 2004 and is headquartered in Durham, North Carolina. For more information, visit <http://www.polarispayroll.com>.
