Cloud Based Payroll and HR Platform Polaris Continues Expansion of its Payroll and HR Processing Platform

**The Latest Release of the Cloud based Payroll and HR Platform brings
Additional Security, Business Intelligence and 3rd Party Integrations.**

(Apex, NC – September 14, 2015) – Polaris Payroll™, a provider of SaaS On-Demand Payroll Processing and Human Resource solutions to Payroll Service Bureaus (PSB) of all sizes, continues to leverage its Software as a Service (“SaaS”) On-Demand technology platform by announcing the latest releases of application enhancements to its Payroll Processing platform during the 3rd quarter of 2015.

Enhancements in this release include:

- **Tax Forms Management:** Significantly enhanced the tax forms functionality to provide the end users with the ability to generate, edit and finalize Federal, State and Local forms as needed.
- **Enhanced Employer Level Bank Account Assignment:** Added new features allowing for Employers to assign multiple bank accounts for their payroll activities when multiple Pay Groups (i.e., locations, divisions, depts., etc.) are used.
- **Workers Compensation Integration with AP Intego:** Added new 3rd party integration for Workers Compensation with AP Intego which will allow additional alternatives for Polaris customers relative to offering workers compensation on a pay as you go basis.
- **Enhanced Business Intelligence Reporting:** Enhanced the Business Intelligence reporting across the platform with new reports within the categories of: Cash Management, Tax Compliance, Pay and more.
- **401k Integrations and File Format Expansions:** Added new 401k File formats and provider integrations.
