Polaris Payroll Deploys New Features to its Platform for Increased Efficiencies and Performance

Polaris Payroll Licensees Provided with Higher ROI with Streamlined Client Registration Wizard and Work Flow Enhancements

(Apex, NC – December 30, 2009) – Polaris Payroll™, a provider of SaaS On-Demand Payroll Processing and Human Resource solutions to Payroll Service Bureaus (PSB) of all sizes, continues to leverage its Software as a Service (“SaaS”) On-Demand technology platform by announcing the 4th quarter release of application enhancements to its Payroll Processing platform.

Enhancements in this release include:

- **Workers Compensation Management:** providing features for service bureaus to offer workers compensation on a “Pay as you Go” basis, both in terms of premium calculations as well as file integrations with certain 3rd party insurance providers.
- **Business Intelligence Reports:** Added six new customizable reports to the platform library including cash requirements and multi-dimensional tax reconciliation reporting.
- **New Employer Registration Wizard:** Fast and Efficient new client on-boarding workflow wizard that allows service bureau personnel to set-up a new client quickly and efficiently. This new feature is designed in such a way as to enable the Registration Wizard to be launched directly from the service bureaus website for prospects to self register, subject to the normal due diligence and approval by the service bureau.
- **New Employee Set-up Workflow:** Efficient one-page employee add workflow has been added to streamline the management of employees.
